Sir:

Examiner Wong telephoned the undersigned on December 23, 2005 while the undersigned was out of the office on holiday vacation. Examiner Wong left a message that this case was going abandoned for failure to respond to a May 2005 office action. The May 2005 office action was never received after a thorough review of our records and the file. However, it was noticed that the postcard receipt for the April 14, 2004 change of address that was filed was never returned from the PTO. We believe that the change of address was lost at the Patent Office and that the Office Action in question was sent to the old address for this law firm.

It is not the intention of the Applicant that this application be abandoned. A copy of the change of address that was filed on April 14, 2004 is attached hereto. It contains a certificate of mailing indicating that Caroline Nash mailed it first class mail on April 14, 2004.

Applicants request that this change of address be entered into the file and that the May 2005 office action be resent to the correct address with a restarting of the time to respond. If there are any questions, please feel free to call at 504 554-4551.
